Israel Mission **June 12 – 22, 2011**

The Israel Mission is a unique advocacy experience – it is not a tour. WOFI Fellows will learn both 'hard' (reactive) and 'soft' (proactive) advocacy through a program of experiences as diverse as travelling Israel's Northern border under the guidance of Reserve Colonel Kobi Meron, and attending a rock concert in Tel Aviv.

Second Year Experiences

Advocacy Trip:	Travel to Washington D.C. with Federation's Israel lobby; train with AIPAC
A Journalistic Portfolio:	Develop a journalistic portfolio based on advocacy experiences
Advocacy projects:	Publish a magazine; produce publicity posters; create advocacy videos; organize high school events
A Self Initiated Advocacy Response:	Create a personal response to a current event through the year (for example letter to the editor in a major newspaper)
