2022-23 Cleveland Shin Shin

SHALOM CLEVELAND,

My name is Yoav Manor and I'm going to be one of the Shinshinim next year!

I'm really excited to be a Shinshin and can't wait to meet you all, but before all that let me tell you a bit about myself.

My parents' names are Dana and Doron, and I also have 2 sisters.

I have a younger sister called Shai, and a twin sister called Amit. My family loves to travel together in Israel and abroad.

I'm 18 years old and I live in Haifa, Haifa is the third biggest city in Israel and it is located in the north of Israel. Haifa is a mixed city, which means that Jews and Arabs live here together. Haifa is located on the Carmel Mountain which is known for its big forest, and also for the amazing beach next to it.

I really love Haifa because of the large number of hiking trails in the mountain and because of the amazing view.

Since the third grade I have been in the scouts. At first it was just a fun after school activity, but since the 9th-grade I'm in the scouts more than I'm at home. In the Israeli Scouts everything is managed mostly by the teenagers, and taking part in lots of roles in the scouts made me the person I am today. I am in charge of over 10 team leaders, 51 counselors and 450 kids (like a school of my own 😊). It must sound funny that a youth movement affects my life so much, but in the scouts I have been taught so many values, it is the place that I met most of my best friends and it is the place that allowed me to make a different

My friends and I love camping and traveling in Israel and now that we all have a driving license we can travel to different places. Because Israel is very hot our favorite trips include springs and waterfalls.

I am a student at "Ironi Hey High School" and my majors are Biotechnology and Biology. I think that my favorite food is hummus and I have been to more the 45 hummus restaurants in Israel and even one in Thailand.

I can't wait to meet you all!

Yoav
