2021-22 Cleveland Shin Shin

Hey Hello Cleveland! My name is Ofek Salter, and I'm going to join you soon in Cleveland ~ I can't wait to start our year together!

I'm 17 years old and I live in a small town called Alfei Menashe. I come from a big family. I have two older sisters. Mika is an officer in the air force, and Eden studies acting. I also have two younger sisters, Maya and Daniel, who

are both in middle school. My mother, Katya, is an accountant and my father, David, works in the local regional council.

In high school, I majored in physics and computer science, guided a group in the scouts, and was part of a military preparation group. In my free time, I like to play video games, skate, hike with my sisters, play different sports, and hang out with my friends.

I'm so excited to take part in the ShinShin program and can't wait to meet you all and start this year!
