## 2024-25 CLEVELAND SHIN SHINIT

Hi everyone!

My name is Romi Hadar, and I'm so excited to meet you all soon, but beforehand let me tell you a little bit about myself...

I live in an agricultural village named Kefar Hanagid, which is located in the center of Israel (about 30 min drive from Tel Aviv). I love living in the village, surrounded by nature and amazing people.

In my family, I am the second daughter out of four siblings. My elder sister Tal is 20 years old and is a combat soldier in the Israeli army. My younger sister Gil is 14 years old

and my younger brother Alon is 12. My parents are the best parents I could ever wish for! My mom Ilona was born in Latvia and came to Israel when she was 15. She works at a high tech company named "Checkmark's" and she is the funniest person you'll ever meet. My father Oren also works at a high tech company named "Elbite". When he has free time he likes to work out in our yard with the tractor. He is the kind of person that knows everything and always has the best advice to give. I greatly appreciate my family and my parents in particular. I'm the luckiest!

One of my favorite things to do is travel. I like getting to know new places and seeing amazing views. In Israel I like to travel best near the Dead Sea area. It is so beautiful and special. In addition, I like to do yoga and be a guider in the scouts. Yoga is my therapy for the body and soul, and I'm definitely bringing it with me to Cleveland. And being a guider is an inseparable part of who I am. This is my third year as a guider in the scouts. On my first year I guided 4th graders, on the next one 7th graders and this year 9th graders. It's amazing how you can lead a group to make a change, show them the way to maturity and good friendship. And while you are doing that, you get to learn so much about yourself and about the world through the eyes of children younger than you.

That was a small piece of me, can't wait to get to know you all.

Romi ❤️
