2025-26 CLEVELAND SHIN SHINIT

Hi everyone!

My name is Tamar Tsarfaty and I am so excited to be a shinshin in Cleveland this year!

Before I arrive in August, let me tell you a little bit about myself.

I am 18 years old and I live in kibbutz Gesher which is in the Valley of Springs, next to the border with Jordan. I live with my parents Avi and Shani and my two siblings. My dad is an Agronomist, manager of the "Zemach Technologies" experimental farm. My mom is a CTO and co-founder at Accurin. My two

younger siblings are Netta and Alon.

Netta is 15 and Alon is 11. We also live with our dog Tiki and our cat Gingit. We like to traveling in Israel, mostly in the desert, eating dinner together, listening to music and going to concerts.

I study at Geon Hayarden high school and my major is physics. I think it is one of the most interesting majors and I love our classes.

In my free time, I dance 3 times a week- classical ballet, modern dance and hip-hop. These are hours during the week I can relax, let go of what is happening, and focus on the class only. I also got to meet some amazing friends that I wouldn't meet if I wasn't at my studio.

Like I said, I live in the Valley of Springs. This is a quiet area, with a lot of water sources. The best activity for every hot day in the valley is to go to one of the springs in the morning with friends, and be there until afternoon. This is what we do all summer long.

I am looking forward getting to Cleveland and getting to know all of you.
See you soon, Tamar
